

MS 8344

1887

Dear Miss Davies!

I fully approve of your Programme,
with the exception of my Solos, having
played the Romanza often; I shall
find something else. — Any Sonata
in the beginning by Mozart or Beetho-
ven, ^{or Bad!} will be well placed; either with
or without fiddle. Perhaps for Piano
alone would be better, as you are the
"Courtgebet". In haste
most faithfully J. J.
